**Re.: Our offer for project "supercomputer VEGA"**

Dear Ladies and Gentlemen,

we are submitting with pleasure our offer for your project "supercomputer VEGA" you tendered jointly with EuroHPC JU.

As pure European manufacturer of HPC systems installed over years now around the globe, we are confident having designed the most powerful and energy efficient solution for you.

Be assured that this project will get our utmost attention and we are looking forward to serving you in the next years in a partnership mode.

Yours faithfully,

Johann Schachner  
CEO Atos AT
