Frankfurt, 10th March 2020

Dear Mr. Rezar,

We would like to confirm that there is no official LORENZ representative for Slovenia who can provide JAZMP with an official contract or special services like the creation of LORENZ docuBridge licenses.

In addition to the above mentioned no one can provide LORENZ docuBridge customers the following:

- Maintenance
- New versions
- Help Desk
- Different custom procedures (API, Attributes, ...)
- Licensing

We hope this information is sufficient. If you have any open questions please let us know.

Best regards

Lorenz
