Procedure of awarding a public supply contract in the fields of defence and security under a restricted procedure, for the production and supply of circulation, commemorative and collector euro coins and numismatic products for the period 2023-2026.

INSTRUCTIONS: The form is to be completed by the tenderer's responsible person. A form submitted electronically into the information system is considered dated and electronically signed, and is thus binding on the tenderer in respect of the contracting authority. A digital signature with qualified certification is equivalent to a physical signature.

Attachment 2: TENDER FOR INDIVIDUAL CONTRACT NUMBER 1 (to be submitted upon signing)

Attachment 3: PERFORMANCE BOND FOR CONTRACT NUMBER X (to be submitted within fifteen days of the signing of the annex by the last of the contracting parties, having regard for the sample in Attachment 8 to the framework agreement)

Attachment 4: STATEMENT OF ASSURANCE (to be submitted within fifteen days of the signing of the annex by the last of the contracting parties, having regard for the sample in Attachment 9 to the framework agreement)

Attachment 5: NON-DISCLOSURE AGREEMENT (to be submitted within fifteen days of the signing of the annex by the last of the contracting parties, having regard for the sample in Attachment 10 to the framework agreement)
